SUBJECT: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO AMEND 15 COMMUNITY HEALTH COVERAGE AGREEMENTS FOR THE HEALTHY KIDS OUTREACH PARTNERSHIP PROGRAM**

This is to inform you that I am exercising delegated authority approved by your Board on June 15, 2010, to accept future grant awards and/or amendments to the Los Angeles County Children and Families First – Proposition 10 Commission (First 5 LA) grant award that provide funding through June 30, 2015 to support the Healthy Kids Outreach Partnership Program (HKOP) and execute amendments to extend the term of 15 current community health coverage agreements for a period of one year, on a month-to-month basis, effective July 1, 2011 through June 30, 2012, at a cumulative maximum obligation of \$4,403,587, or until a competitive selection process is completed, whichever is sooner, subject to review and approval by County Counsel and the Chief Executive Office (CEO), and notification to your Board.

Under this delegation of authority, I will accept First 5 LA Grant Agreement (GA) Number 00493 in the approximate amount of \$4.7 million for fiscal year 2011-12 to continue support of community-based health coverage outreach, enrollment, retention, and utilization services. The full amount of the HKOP budget is \$4.97 million comprised of the \$4.7 million from First 5 LA and an estimated \$300,000 from Medi-Cal Administrative (MAA) matching funds. The reimbursement from the MAA program is made possible through the participation of eligible contracted agencies in the County's time surveys, as required by the State. The First 5 LA HKOP was designed to maximize MAA reimbursement.

This funding also allows the Department of Public Health to extend agreements with the 15 agencies identified in Attachment A through June 30, 2012 to continue the HKOP services directed towards: 1) achieving health coverage for all children ages birth through five years, who reside in Los Angeles County, and whose family incomes are at or below 300 percent of the federal poverty level; 2) optimizing children's health and development by increasing access to coordinated and quality health care; and 3) supporting the health care safety net by increasing the pool of insured children. There are no net County costs associated with these contract extensions.
